

**DENVER MUSEUM OF NATURE AND SCIENCE
VENUS WINDS PROJECT
MEETING AGENDA**

Date/Time/Location 12 Jun 2014, 6:00 PM **Exploration Studio 106***

AGENDA ITEMS CARRIED FORWARD

New Venus Winds researcher recruitment from current DMNS volunteers

The draft recruitment document has been forwarded to Dave Blumenstock, Coordinator for Space Sciences, for approval. Dave separated the Volunteer Data pages from the invitation; the Volunteer Data will be recorded during the first interview with the applicant.

Postponed

Investigate some images on JPL web sites Mark

Postponed

Venus Landing Site Workshop Kevin

Postponed

NEW AGENDA ITEMS SINCE LAST MEETING

FITS headers Mark

Wind velocity computations for 16 Sept 2007 pair of images Emilie, Marta, Mark, Art

* Exploration Studio 106 is located on Level 1 of the Museum. After you check in at Security, walk to the central hallway and go all the way to the end, past Space Odyssey and Gems and Minerals, to the Morgridge Family Exploration Center where Exploration Studio 106 is the right-most of the three Studios. If you like maps, go to
