

Discover Space Odyssey

MISSION OBJECTIVE: Locate each of the following items and learn at least one salient fact about it. Please ask one of your teammates or a staff person for help if you need it.

- **Candor Chasma (Mars) Diorama**
- **Carving Landscapes (Stream Table)**
- **Cratering Machine**
- *Event Horizon* rocket
- **Experiment Bar**
- *Explorer 1* spacecraft model
- **Hubble Space Telescope model**
- **Infrared Experiments Area**
- **Manned Maneuvering Unit (MMU)**
- **Mars Exploration Rover model (MER)**
- **Mars Rover Landing Game (Xbox)**
- **Mission Board**
- **Moon Rock sample from Apollo 17**
- **Orbits Explorer (or Orbits Table)**
- **Rand McNally™ Earth Globe**
- **Science On a Sphere**
- **Seeing the Sun interactive**
- **Spitzer Infrared Milky Way Kiosk**
- *Sputnik* spacecraft model
- **Telescope Interactive**
- **Tilty Table**
- **Delta IV Heavy rocket model**

Continued on next page...

- **Gates Planetarium**
- **Space Odyssey Gnome (hint: It's on Mars and likes to be near a window)**

Space Odyssey is also home to numerous shows, listed below, that help educate our guests about space science. If one is happening during your shift, please check it out.

- **Astronaut on the Surface**
- **A Galaxy Stage Show (Mission: Superchill, Art Station Titan, etc.)**
- **Galileo Show**
- **Storytelling**
- **Barany Chair**

The following is a list of storage areas, health and safety items and educational resources:

- **Demo Storage Room ("2003" room)**
- **Exploration Stations (ex: Spectroscopy Cart, LAMP Cart, Moon Phases, etc.)**
- **Galaxy Guide Portal (website)**
- **Emergency and Repair Phone Numbers (inside Demo Storage Room)**
- **Visitor Comment Forms (in the Demo Storage Room)**
- **Station keys, laser pointers**
- **Emergency exits and storm shelters in and around the exhibit area**
- **Bathrooms**

That's it, nice work. If you have more questions, please ask your team mates, your coordinator Dave Blumenstock, or any Space Odyssey staff person.
